

The La Mesa Spring Valley Educational Foundation, a non-profit group that through generous donations, is able to fund programs that support children and public education.

The Ed. Foundation provides eye exams and glasses, food and clothing, and other support to our neediest students and their families.

Books are purchased for the schools participating in the California Young Readers Medal and Battle of the Books. Support for SMATH night, a science and math night for all district families.

Funding of Grants given to teachers and school sites to conduct Action Research Projects.
